1983 Dedication

In thanks for all his service to the benefit of students and school, the 1983 Mustang Mirror is hereby dedicated to Mr. Charles Mancuso.

Mr. Mancuso, known fondly as "Coach" to teachers and students alike, has taught at Medina for the past 30 years. As advisor to the Athletic council, and coach of the Varsity Lacrosse team, he has been both mentor and friend to all. The kindness he has shown us we could never fully repay.

So, to Mr. Mancuso, with great admiration, gratitude, and love we extend our best wishes for all future friendships and endeavors.

No more
Crawling up three flights
Of stairs
Just to go to my locker
To get the lunch money
I forgot.
No more
Looking in the mirror
At 6:30 in the morning
And worrying if I look
All right.
And making sure
There's someone else's name
On my jeans
No more
Sitting in boring classes
Wishing I could stand up
For half the period
'cause my butt is sore
No more
Homework or term papers
That keep me up
Until sunrise
Because I always save it
Until the last minute
No more
This
No more
That
I'm off to something new
I'm off to another challenge
Another mountain must be moved.

Sandra Evans, Natsuko Kimura

I would like to take this opportunity to thank everyone who has made this year (1982-83) such a success for me. Although I did not have a problem with the language, I found some terms really different, and getting used to nine classes a day and each one lasting forty minutes seemed really weird.

The memories of this year will stay with me forever.

Thank you to everyone: my family, teachers, Mr. Snyder, and all the friends that I have made.

Sandra Evans

Every day something happened which made me happy or depressed. I pushed myself in order to join your circle because I wanted to know about you.

Did I give you anything? You helped me whenever I was in trouble. I was always looking for something which I could do for you.

Every year AFS students who visited here repeated these words — "Thank you". I can't find any other word.

Thank you for a memorable year.

Orleans County and Division VII continued to be well represented at the annual Section VI Football Federation playoffs at Rich Stadium on Saturday as the Medina Mustangs rolled to an impressive 26-7 victory over Division VIII champion Cassadaga Valley Cougars.

The senior laden MHS squad was spearheaded on Saturday by senior halfback Dave Fluellen who tied a playoff record with four touchdowns and broke another mark with 233 yards rushing.

Coach Larry Decker's Mustangs, who had the game well in hand 20-0 at halftime, completed the first 9-0-0 season in the school's long gridiron history with the victory.

"Didn't I tell you we'd play our best game at Rich?" exclaimed senior guard Todd VanAuker, whose prediction of victory made early in the week proved to be right on the money. VanAuker, along with his linemates center Larry Stockwell, guard Buddy Arnett and tackles Willie Jakes, Marvin Wingfield and Tom Fredericks, all seniors, provided plenty of blocking to open up the MHS attack. "It was great," added Stockwell. "We were blowing guys away on the line."

MUSTANG SENIORS--When the Medina High gridders take to the Rich Stadium artificial turf Saturday afternoon at 1:15 to face Cassadaga Valley in the Section VI Football Federation playoffs these 17 seniors will be making their final appearance in the Mustangs red and blue uniform. In the front row from left are Larry Stockwell, Tom Hodgins, Mike Green, Tom Botsford, Anthony Bloom, Todd VanAuker, Don Smith and Willie Jakes. In the back row from left are

Dave Fluellen, Bill Holland, Charlie Hartway, Marvin Wingfield, Buddy Arnett, Darren Allen, V.J. Cardone, Karl Terryberry and Tom Fredericks. The Division VII champion Mustangs will bring a perfect 8-0 record into the playoff contest against the Division VIII champion Cougars who are 5-3. It will be Medina's second Rich Stadium appearance and the first for Cassadaga Valley.

END OF A PERFECT SEASON--When the buses arrived home Saturday varsity coaches Nick Benedetti, left, Larry Decker and Larry Fox, right, display the championship trophy to the home town fans.

To The Editor:

The Mustang football team would like to thank the community for the fan support it received this season. Upon returning home Saturday the team was welcomed by its fans, who are second to none. The thrill of playing in Rich Stadium was one thing, but the thought of being truly appreciated was another that we will long remember. The celebration was greater than many college teams have been privileged to experience! That must be the luxury of playing in a small community that loves its winners.

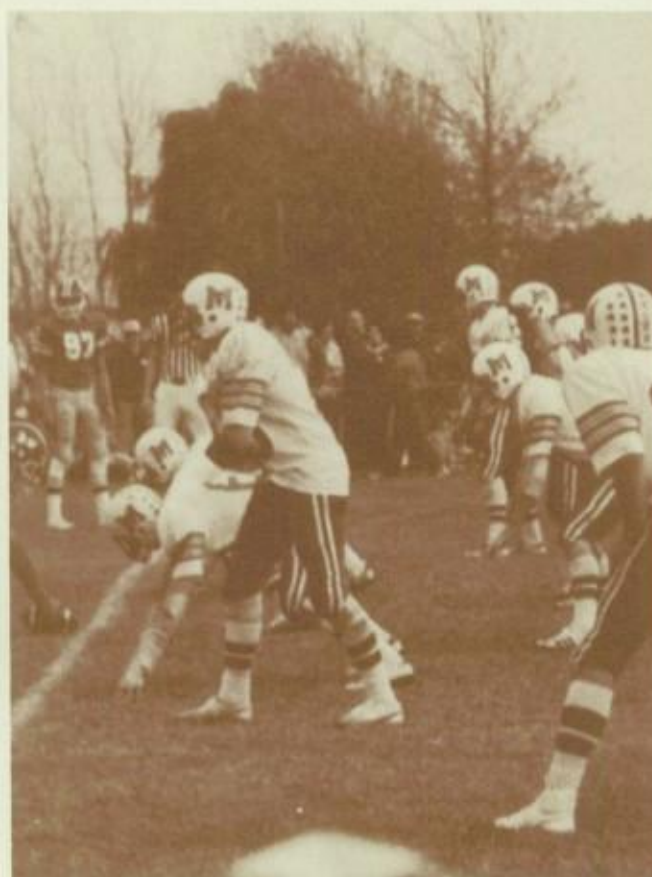

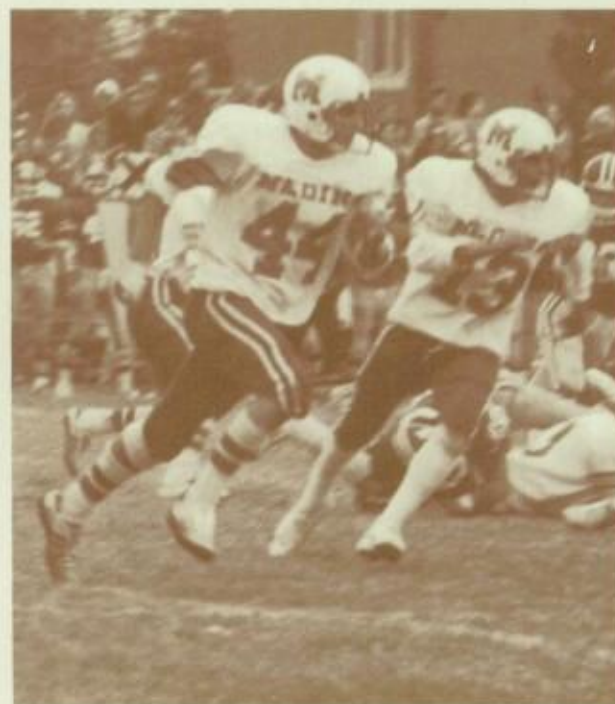

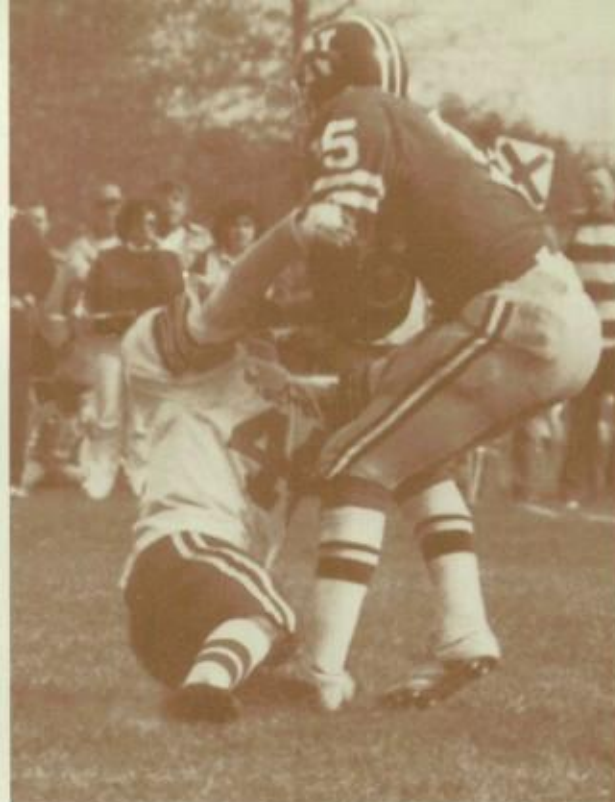

The support wasn't only limited to Saturday, however. All the way back to our first game we were greatly supported. From the players, coaching staff, and all the way down to the managers, we thank you Medina for being such a big part of our success.

Girl's Track "N-O League Champs"

At the start of the season we had more people out for boy's and girl's track than ever before. It looked like an excellent season for both teams. Each team had excellent combinations of experienced seniors and strong underclassmen. The girl's team went on to win the N-O League with an unblemished record of 14-0. The boy's team didn't do as well as expected in the dual meets, but finished well in the league meet. No matter what the final standings were, both teams worked hard all season and gave every competition their best.

The season, practices, and meets went by quickly, but the accomplishments and the friendships formed will remain with us forever.

The '82 Varsity team had high hopes in the beginning of the year. Winning the first s games gave us confidence, and the team became a well-oiled machine. We finally did lose few, and we were beaten in a close sectional game at Newfane. Friendship and respect among our team members made that '82 season a beautiful spring for all of us.

"I'm bad"

The 1982 Softball team, under Coach Hiwiler, had a good season. We gained much by way of experience. Although the scores of the games were close, we never seemed to pull ahead with a win. This made the team join together with a common cause. We formed many friendships and share many special memories.

1982 Tennis

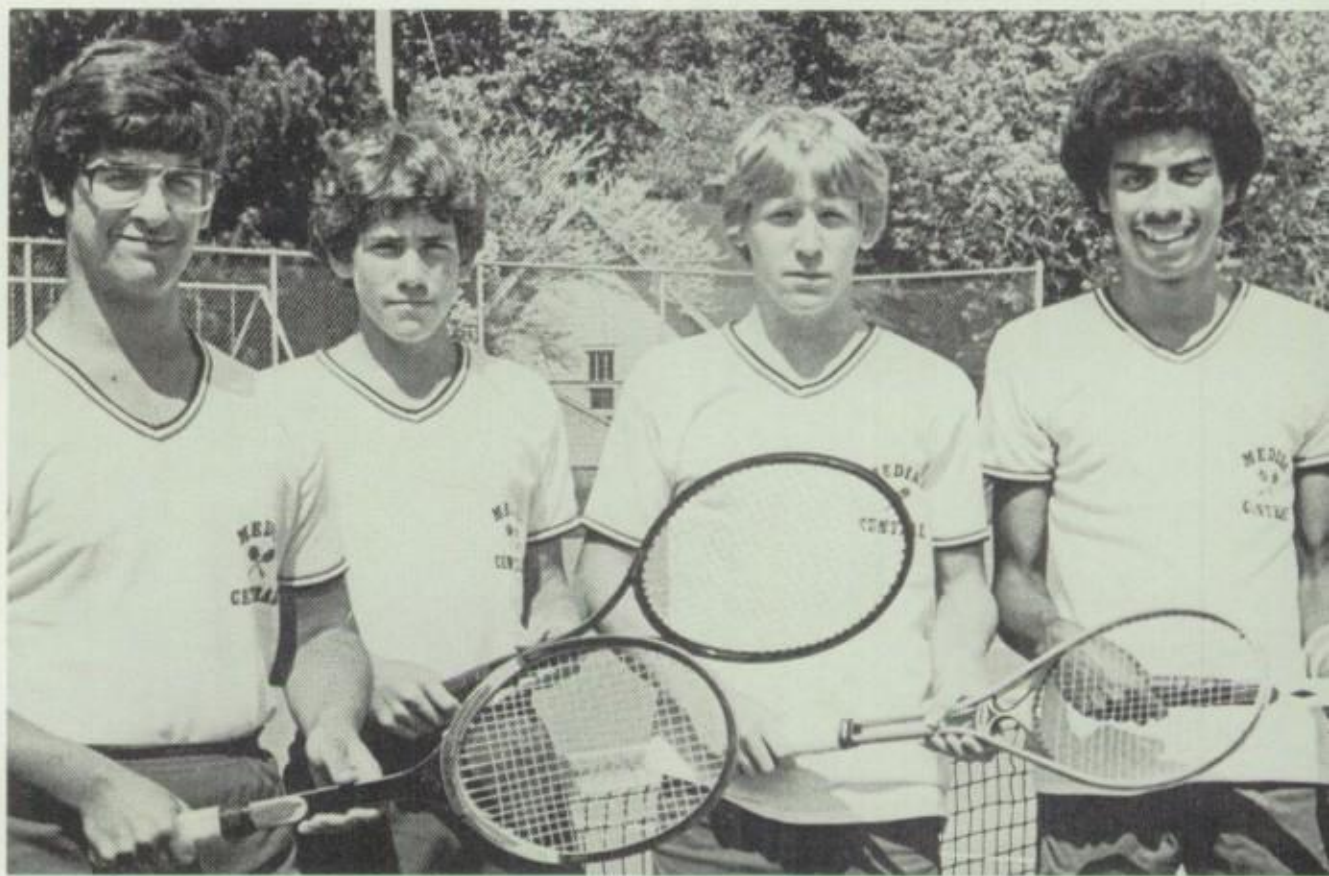

The Medina Tennis team and its coach are the most respected in the league. Under the direction of Coach Irons, and with returning Junior let-termen David Clark, Jamie Rodriguez, John Derry, Tim Gelder, and Senior Karl Terryberry, we look to have another promising year. I'd like to thank Coach Irons for the time he puts into his coaching and compliment his unique style of disciplining his players.

We've put together a oneness called the Medina tennis team and no other school could match the spirit or dedication of our players.

Thank you.

The 1982 Lacrosse season, led by Coach Mancuso, got off to a good start. With many returning veterans and a few exceptional sophomores, it looked like the team was headed for a good season. Early losses, however, seemed to put us on a downslide. Though we had a tough defense and a fast offense, we were unfortunate in our many attempts at goals.

The intramural squad, headed by Coach Rau, also had an unlucky season. The outlook is good for next year, however, where the skills and experience this team gained can be useful to the Varsity Team. With strong, skillful players, the 1983 Lacrosse team should be very successful.

1982 Golf

The MHS "Linksters" started out the 1982 campaign with 3 impressive victories due to the strategic coaching abilities of "Mr. Mal." Our defeat at the hands of Albion soon crushed the team's morale. But with coach Mal at the helm we were soon lifted back into the swing of things. We would like to extend our deepest gratitude for the extreme and utmost impressive dedication given to the team by Mr. Mal and we look forward to him coaching the 1983 golf team to an awesome 1983 season.

1982 Varsity Soccer

This year, only our 2nd season as a Varsity squad, the Soccer Team was admitted into the Niagara Frontier League. With competition at a maximum, we faced such power houses as Lew-Port, Ken-East, and Ken-West.

Under the guidance and support of Coach O'Dea, the team with strength in many positions was eager to start what looked to be a promising season. After losing the first few games we realized, however, the competition was going to be tougher than previously imagined. After injuries to senior co-captain Tim Smith and stellar goalkeeper Dennis Dipini, the team looked for first year man Todd Heydt to get the team going again. Heydt managed to score almost a goal a game, but Dipini simply could not be replaced and we ended up with a disappointing 0-16 record.

Special recognition for their play goes to John O'Brien, Robert Martinez and Jon Sanford, the latter of which was selected to second team all league defense.

Next year, with returning starters Charles Graham and Darren Fuller, should prove more positive.

Special thanks to managers, ball boys, scorekeepers, and most of all: "The lone fan in the stands" Mr. Heydt.

The Mustang football team enjoyed one of its finest seasons in recent memory. The Mustangs proved once again to be the class of the league, capping off their successful season with a blowout of Cassadaga Valley in the Federation Playoffs in Rich Stadium. The team would like to thank the fans for all their support.

The Medina High School volleyball court had quite a different surrounding this year. Ambition and desire encompassed each and every player, but youth and lack of experience gained control of our whole season. Our best efforts were put forth each game, team spirit and pride were present, and support from our coach was in the atmosphere wherever we turned. The thought of sectionals was locked back deep in our hearts after our first six games totaled to 1-6 in the win-loss column.

Although we did make it to sectionals, we never received a N-O League or sectional title. However, we did achieve something far more valuable — fun times, good friends, and lasting memories.

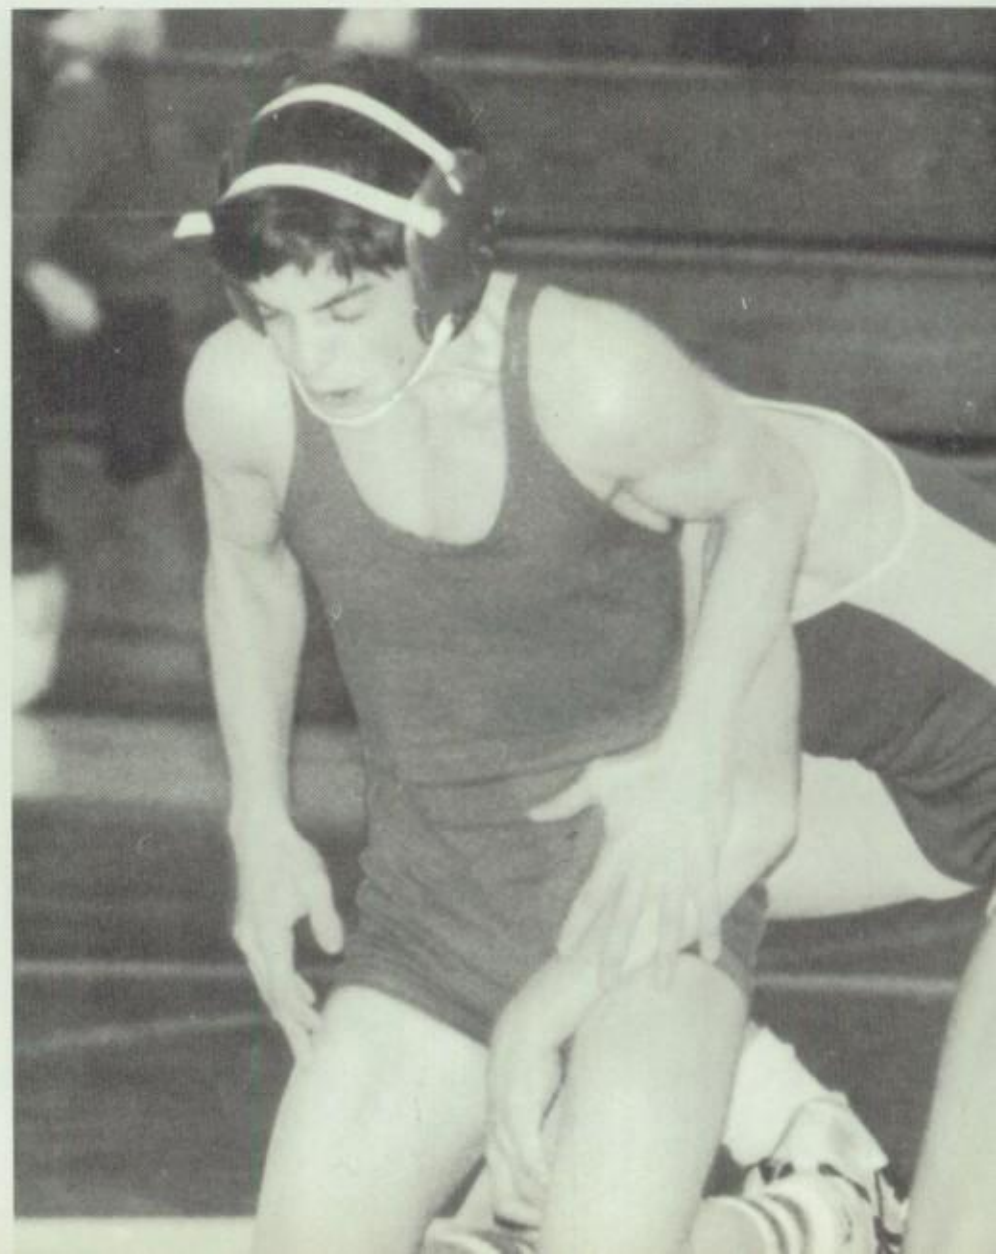

Sandy Ranallo

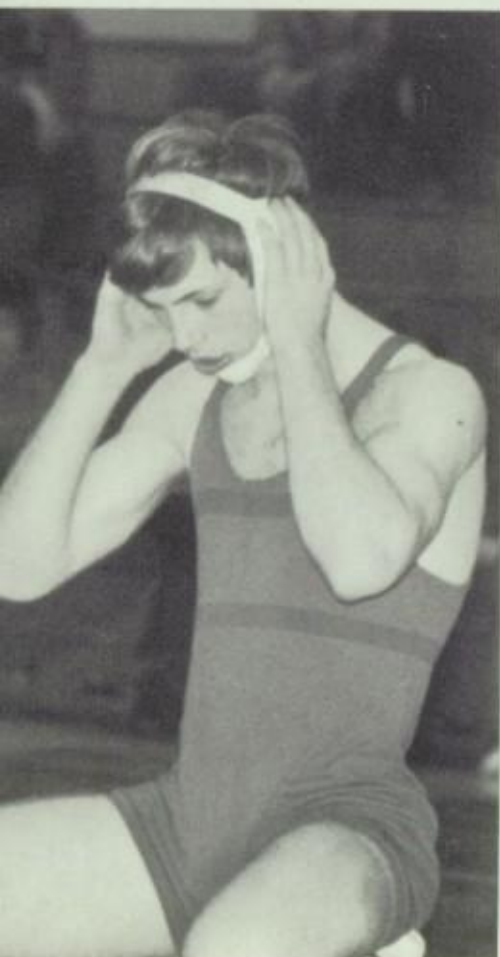

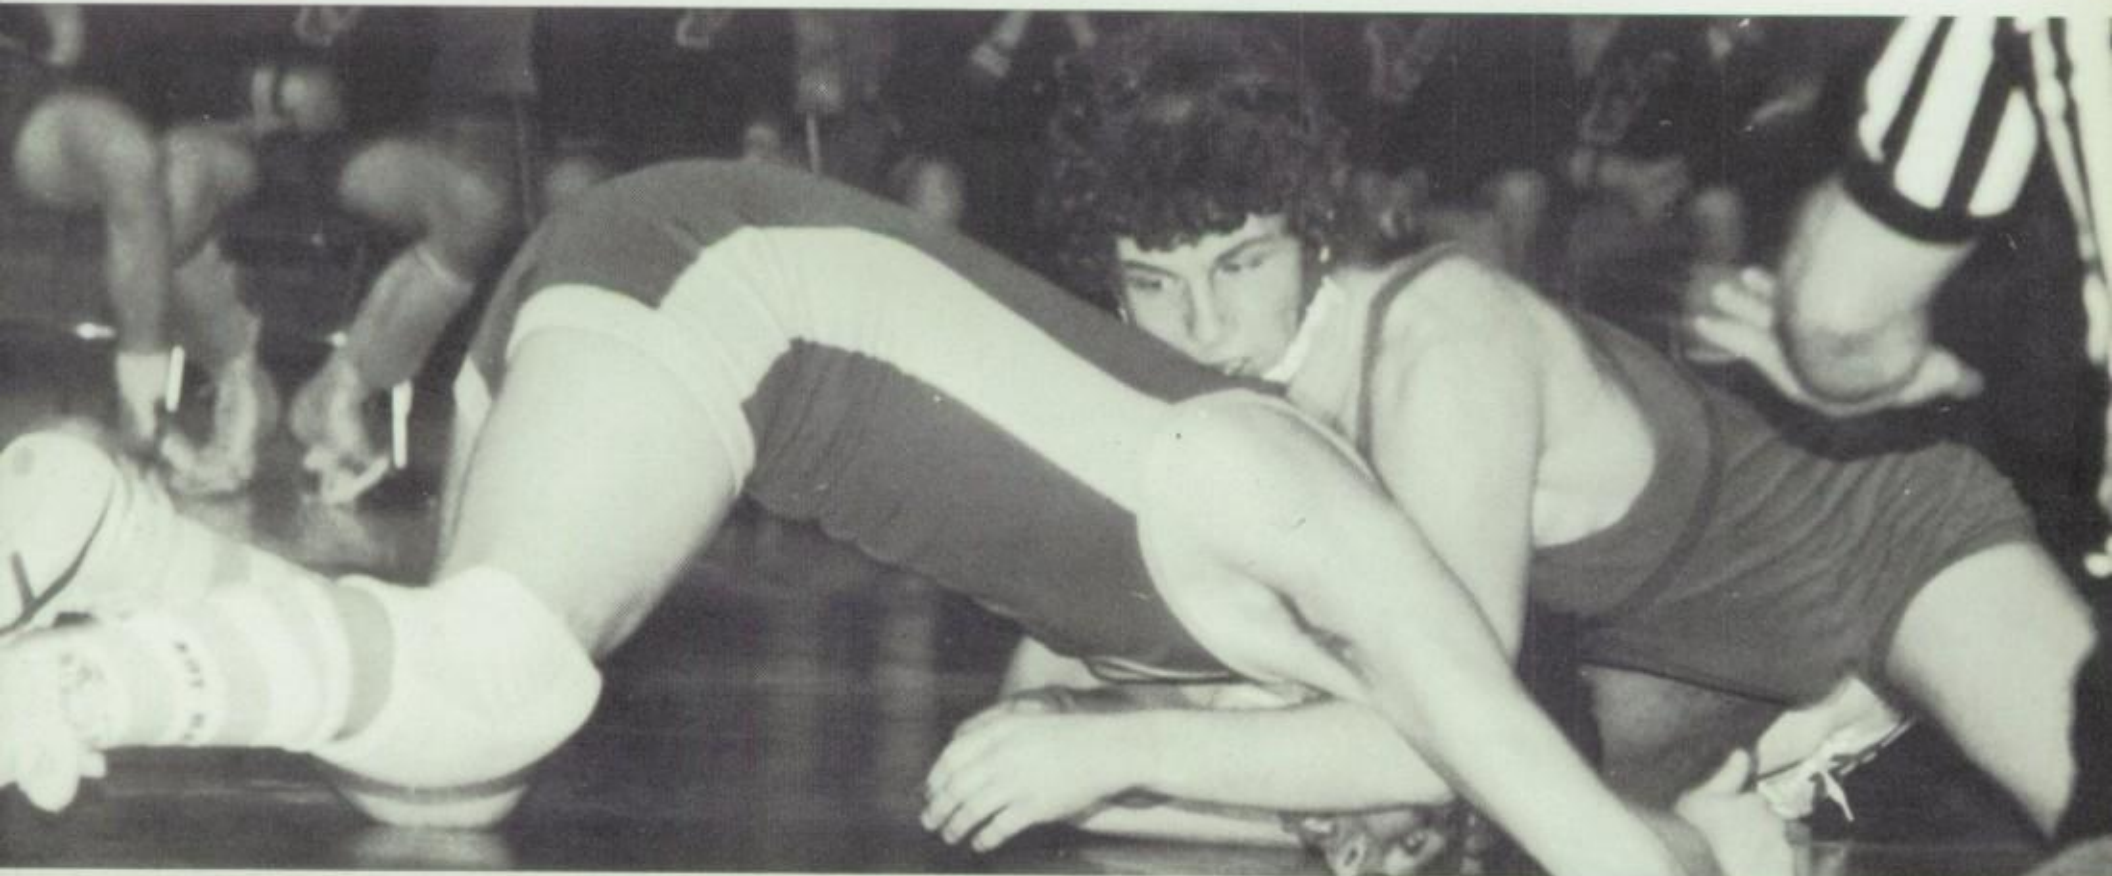

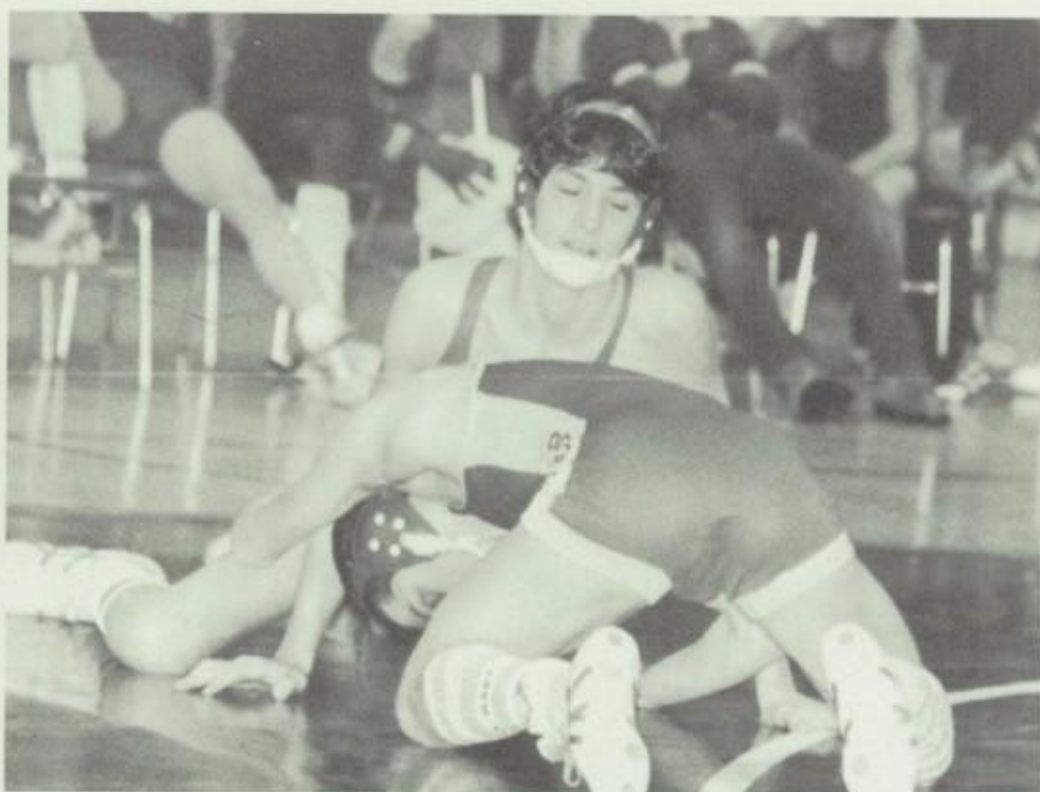

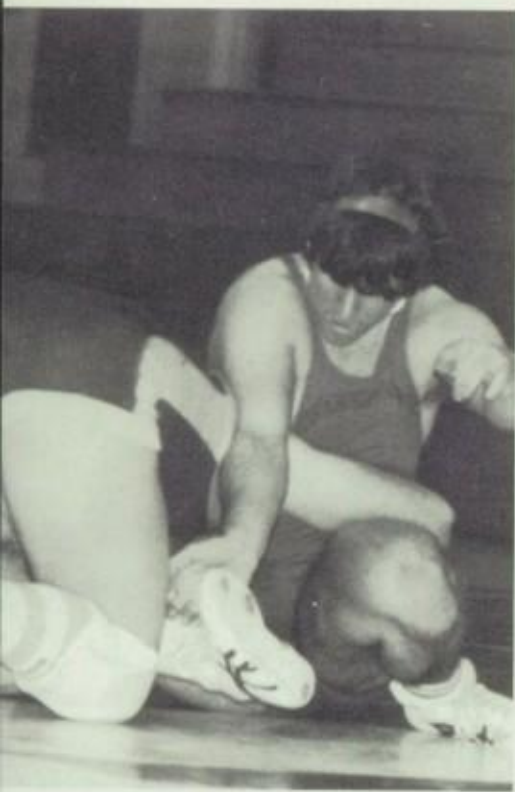

This year's wrestling season was a rebuilding year under new varsity coach Randy Vanderzee. The team was very inexperienced with only 4 returning varsity lettermen. A few high points of the season were having one returning league champion and having two wrestlers qualify for the sectionals. The season was still very enjoyable with support from family and cheerleaders. The wrestling team should improve dramatically in the next few seasons as the wrestlers gain experience.

What do you get when you have a 6'0" freshman, 4 eager Juniors, 4 anxious seniors and one very difficult coach? The formula for the Medina High School girls varsity basketball team. The season ended with a very hard earned 10-10 record. Trying hard all season we always seemed to come up empty-handed in our "cold" offensive shooting. Defensive rebounding was always under control thanks to an all-out great team effort. All in all we had a difficult but exciting season, which was enhanced by a great bunch of girls and one very determined coach.

This year for the Mustang Marching Band has been the most successful one yet. At the beginning of the year, things seemed kind of doubtful, but once everyone began to pull together and work as a team, things began to shape up. Change after change made the show begin to look like something and we were off to competition. After capturing three first place finishes at Kenmore-East, Ithaca, and East Syracuse, we went on to take the title of Class A New York State Champions at the Carrier Dome. This has been an accomplishment Medina has sought for thirteen years now. I guess if you try hard enough, anything is possible.

My four years with the band are years I will never forget. From all those late night, cold and rainy practices to our fantastic escort home from Syracuse, I will always be proud to be associated with such a great group of people.

Field Band Champs

This year Syracuse was a very different championship for the Medina Mustang Band. We left Medina that Sunday morning being the first seeded band in Class A with two firsts. Two spectator buses followed for moral support. Everyone was very nervous because we knew we had the show and music that could win us that first place. It was just a matter of being able to do it. We went onto the field and did the show to the best of our ability . . . There was no doubt, though, after the award ceremony, that we had come away the winners in Class A of the New York State Field Band Conference.

1983 Special Tribute to Miss Joan Shurmanek

This year the yearbook staff would like to present the special tribute to Miss Joan Shurmanek. Miss Shurmanek has been at Medina Senior High for nine years. During these nine years she has been a sponsor to the AFS Club, Ski Club, and the cheerleaders. She has also been the advisor to the senior class. Miss Shurmanek is now on her second year of advising the Mock Trial. She is not only an excellent teacher, she is a great help to the student body. Her favorite food is peanut donuts, and you can often hear her speaking of the University from which she graduated, Notre Dame.

We would all like to thank Miss Shurmanek for her dedication to and enthusiasm for the Medina Senior High.

Medina High School Principal

Mr. Frederick E. Snyder

The Class of 1983 provided a great deal of leadership during this school year. You deserve credit for making Medina High School the type of high school that everyone wants to attend. Your maturity was also demonstrated in athletics, music, F.F.A., and scholarship. I have reason to believe that your successes will continue throughout life. My best wishes go with you upon graduation.

Completing a yearbook can be both a happy and a sad time. It is happy because the hard work of the past year is over and this book is finally ready to present to you and sad because my association with a great staff has been completed. This book has been no exception. We on the staff sincerely hope that the 1983 Mirror will serve as a precious moment of a truly memorable school year. To the staff who has worked so hard, to the faculty and administration who managed to tolerate us through all of the interruptions, to the patrons who so graciously supported us, and to you, the students who make the book — to all of you, I say thank you.
